

Based on the incredibly popular online game with over 35 million plays!

# CASTLE CLOUT 3D

Travel in time to a medieval battlefield in this brand-new 3D edition of the popular Castle Clout game! Only you can bring order to the lawless lands and unite the empire. But first you must defeat your enemies and destroy their strongholds with your mighty catapult. Boulders, bombs and more blaze through the air to batter walls and topple foes. Try not to duck as enemies and ammunition fly out of the screen!

The exciting physics-based play is similar to popular slingshot games but takes expert timing and clever strategy to master. Choose your ammo and angle of attack, and release at the right moment to maximize the damage you inflict. Enjoy over 300 levels, and expand your battle for the kingdom with the new multiplayer mode!

Over 300 levels &  
multiplayer mode!

NINTENDO 3DS

# FEATURES

Challenge your friends and family in multiplayer mode!

Take turns shooting missiles to score damage points and topple your opponent's king and queen. Use all the firepower you can muster to bust through walls fortified with wood, stone and steel. Be the first to destroy your opponent's castle before you run out of ammo! With strategic planning and deadly aim, will you emerge the victor in this medieval battle royal?

Conquer kingdoms on 5 continents

Battle for control of the Forest, Frost, Desert, Stone and Burning Lands.

Battle through over 300 levels

Earn Gold, Silver and Bronze trophies for each level you complete.

Build custom levels

Use wood, stone and metal to build elaborate fortifications, each with different properties. Then fill them with a variety of colorful foes to create your perfect level.

Choose from 20 special ammo types

Enemies crash out of the screen as you hit them with stones, bombs, plagues and more.

20+ detailed backgrounds

Easy-to-use controls

Just aim, set and release!
